

ALTEZZA AT NEWPORT COAST HOMEOWNERS ASSOCIATION

TOWING POLICY

The Board of Directors has adopted a revised towing policy for the Association. This policy pertains to the “open” parking spaces located on each street within the community. A vehicle may be towed based on the following policy:

- A homeowner reports to Keystone Pacific Property Management, Inc. a vehicle as being abandoned or stored.
- A Keystone Pacific Property Management, Inc. representative will post a notice on the vehicle and if the owner is known, a letter will be sent to the owner.
- If the vehicle is not moved within five days after posting, the vehicle will be subject to being towed at the owner’s expense.

Altezza H.O.A. or Keystone Pacific Property Management, Inc. will not be responsible for any damage or cost for vehicles in violation of this policy.
